Term 3 Week 2
July 26, 2019

We are committed to find, and celebrate, successful outcomes for students, whether that is in the pursuit of high level academic achievement, or the development of specific vocational skills.

The values we strive to develop and promote through our interactions with students, parents and other members of our community are Honesty, Excellence, Accountability, Respect and Trust - HEART.

BREAKFAST CLUB

CTS offers breakfast every Wednesday and Friday morning from 8.30-9am at Johno's Shed. Free cheese toasties are available. Those students who have travelled long distances on the bus, or have missed breakfast for any reason, are especially welcome.

Principal

Rohan Keert

Year 11 Work Experience

Welcome back to Term 3. Semester 2 is up and running. The school is busy again now that Year 10 students have returned from work experience. Our Year 11 students head off to Melbourne work experience next week with Annette Hickey. This year we have combined with staff and students from Timboon P-12 for this event.

Corangamite Trade Training Cluster

Last week our Year 10 students along with Year 9 & 10 students from all other Corangamite government secondary schools participated in a tour of the Corangamite Trade Training Cluster facilities at Camperdown, Cobden and Timboon. Staff from Terang and Derrinallum gave presentations about the VET courses offered at their campuses.

Staff Movements

We welcome back Sue Blake, who travelled through Europe with her husband Les during Term 2. Mr Bouman also returns to CTS after a term of long service leave.

Disability Access Works

The builders were very busy over the holiday break as the significant construction works to upgrade disability access continues. The new entries to the library and main office will be complete in about another week.

Indonesian Sister School

We look forward to the two week visit by staff and students from our sister school in Yogyakarta, Indonesia commencing Friday 2nd August. Thank you to all families who have agreed to host our international visitors. It is a very rewarding experience.

School Assembly

At the whole school assembly this week led by school captains Archi Perriss and Skye Leith, we heard reports from our House Captains. We presented medals for our cross-country age champions and several students received HEART values award certificates. In my short address, I made a point of reminding our Year 12 students to put their heads down and focus as they enter the final full school term before formal classes wrap up early Term 4. I asked all students to reflect on their Semester 1 report and set learning goals for the second half of the year. I also asked students to set a relationship goal that includes respectful and helpful behaviours and actions towards their peers and teachers.

Volunteer Work

Over the winter holiday break our sensational grounds volunteers, Ronnie Greagan, Bob Mounsey and Neville Robertson did a terrific job pruning all of the fruit and olive trees in our orchard across the road. They have begun eradicating the blackberries and rejuvenating the grape vines. They have also developed a plan to tidy up the bushland on the block.

50th Anniversary Plans

The CTS 50th Anniversary organising committee continues to meet and plan the big event on 19-20 October 2019. The committee are supported by our School Councillors and Parents Club. If you haven't heard we have a CTS 50th Facebook group. <https://www.facebook.com/groups/CTS50TH> We currently have 254 members and there has been 817 posts in the last 28 days.

Please feel free to join and contribute to this very active group.

New Website

We also have a new website for the school. <https://www.cobtech.vic.edu.au/>
Please have a look and let me know if there is anything else you would like to be included.

Assistant Principal

Cassandra Crevola

It's been a lovely start to Term 3 and the second half of the year. Our Year 10 students had the opportunity to tour the Corangamite Trade Training Cluster schools last week and explore the opportunities available to them through various trade pathways on and offsite. We are very proud of the fact that our students have so many options available for their senior pathway into careers and we look forward to continuing to explore these options with them in discussions over coming weeks. Year 10 students and families will have a scheduled career and subject selection interview during Week 5 – look out for further information to follow in the coming fortnight.

Our Year 9 students have also taken some important career planning steps in recent days, with their completion of a key survey leading into careers interviews and reflection activities later in the term.

Parents and families will be receiving via email information about two key Engagement and Wellbeing surveys that students across the school will be scheduled to complete in the coming few weeks. The AboutYou survey for students in Years 7, 8, 10 and 11 and the MDI Survey for students in Years 7-9 will be conducted with our students to help gain a better insight into experiences of young people in and out of school. Letters have been emailed home to families, with information on how to opt-out should families wish to do so. Further information is also available elsewhere in this edition of the newsletter.

Our School Captains did an excellent job of conducting our whole school assembly this week, in which we recognised the amazing efforts of our students in various sporting, academic and community endeavours. We congratulate all of our students and our awards winners for their Semester 1 work and we encourage all families to make sure that they have checked students' Semester 1 reports on Compass.

We also enjoyed the reflections of our House Captains on the various activities that Shenfield, Glenfyne and Tandarook House have led or enjoyed so far this year. We look forward to the upcoming Daffodil Day events throughout August led by Glenfyne and look forward to hearing details about the charity events for the other two houses later in the year.

'About You' Survey!

What is 'About You'?

'About You' is a survey of Victoria's young people, conducted by Colmar Brunton on behalf of the Department of Education and Training. The About You survey takes place in Victorian schools and collects essential information on the health, wellbeing, learning and safety of young people aged 12 to 17.

Government schools with students in year 7, 8, 10 and 11 are being invited to participate in the survey in 2019. The information collected will assist in the development of programs, resources and services aimed at meeting the needs of young Victorians.

Who will participate?

All students in year 7, 8, 10 and 11 will be invited to participate in the survey from our school. It is up to you and your child as to whether they take part. The school will send an information letter explaining the background and content of the survey, along with a refusal-of-consent form home with your child, and to your email address. If you do not want your child to be included in the study, you should return the refusal-of-consent form to the school, or opt out via the email address that will be supplied. All responses are voluntary and students can opt out at any time. For further information, please contact Gillian Davenport at the Department of Education and Training via email AboutYou.Survey@edumail.vic.gov.au

Middle Years Development Instrument

School newsletter

Giving schools and communities important information about the views and needs of children

This year, our school, along with others in Victoria is participating in the Middle Years Development Instrument (MDI).

The MDI is the first survey of its kind in Australia where there is a focus on children's developmental health and wellbeing, school experiences and what children do with their time after school.

The MDI is unique because it records children's own voices. The MDI aligns with Goal 2 of the Melbourne Declaration on Educational Goals of Young Australians: *"All young Australians become successful learners, confident and creative individuals and active informed citizens"*.

The MDI asks young people about their 1) social and emotional development; 2) feelings of connectedness to school, family, friends, and communities; 3) school experiences; 4) physical health and wellbeing; and 5) activities after school. Student's answers to the survey will be kept confidential – no one will use the results to identify individual students.

The data collected is summarised into school reports that inform educational and community efforts to help improve young people's health and wellbeing. Children's participation in the MDI is completely voluntary. Any parent can request that their child not take part in the survey by contacting their classroom teacher or school principal. Children are also told that they can withdraw from taking the survey at any point.

For more information visit www.mdi.srcentre.com.au or talk to Assistant Principal Cassandra Crévola and please ask your student for your copy of the parent information letter, which has been sent home this week.

FUNDRAISING

PARENT'S AUXILIARY PIE DRIVE

The Parent's Auxiliary would like to thank all those that supported our Pie Drive. I hope that you all placed your orders by the July 18 deadline. If you have, please pick up your orders from the school canteen after 3.30 pm on August 1.

YEAR 11 HEALTH AND PHYSICAL EDUCATION WEIGHT GYM UPGRADE

In order to be able to upgrade the weight room, we are selling old gym equipment and holding a raffle which members of the school and wider community can purchase tickets for \$2 each.

Prizes have been generously donated by local businesses and people and they consist of:

- 1st Prize:** 2 Nights Accommodation at Auldy's on East Beach, Port Fairy
<https://www.youtube.com/watch?v=SgVTPue9KOM>
- 2nd Prize:** Signed Brisbane Lions Football Jumper
- 3rd Prize:** 2 Cinema tickets plus Meal for Two at The Hairy Goat in Warrnambool
- 4th Prize:** \$100 Food Voucher Ritchies IGA Cobden
- 5th Prize:** \$100 Fuel Voucher Matthews Cobden Roadhouse

There are raffle tickets attached to the end of this newsletter. Please sell them and return stubs and money to the school. If you would be willing to sell more tickets, please contact the office and more will be sent home to you. The drawing of this raffle will be held at the School's 50th Anniversary celebration on October 20, 2019.

Careers

Annette Hickey –Careers Coordinator

Corangamite Trade Training Cluster Bus Tour

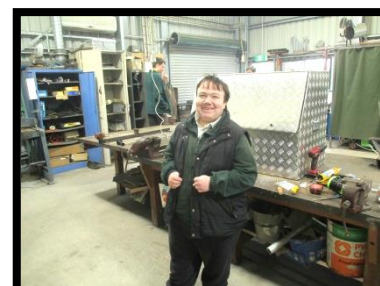

Last week Year 10 students travelled around the Corangamite Trade Training Cluster facilities to explore VET options available, watch students working in each area, and listen to presentations from instructors about various courses. The CTC offers a wide range of vocational education and training opportunities for our students:

Cobden Technical School	Cert II in Building & Construction Cert II Automotive Preparation Cert II Electrotechnology.
Camperdown College	Cert II Retail Make-Up and Skin Care Cert II Salon Assistant.
Derrinalum P12	Cert II Agriculture
Timboon P12	Cert II Music Cert II Hospitality Cert II Engineering
Terang College	Cert II Community Services

The current suite of Cert II courses caters for a diverse range of future pathways with students travelling to the provider school for a four hour training block on a Thursday. Please contact Annette Hickey if you would like further information about vocational education offered at the CTC.

Year 10 Work Experience

“..... has a pleasure to have work within our business”

“..... was helpful and built excellent rapport with the students”

“..... was a very capable and responsible work experience student, who fitted in easily with our team of educators.

“..... was an excellent work experience student”

These are just a few of the very positive comments our students received after completing two weeks of work experience in the local area last term. Congratulations to all Year 10 students!

Many thanks to the employers who were willing to supervise the students during this time and provide a look at the “real” world of work.

Dan Wright	PR Treble Spence Construction		

Jewish Holocaust Museum Visit

Michael Nixon

Late in Term 2, students from Year 9 HUMS, Year 10 HUMS and Year 11 English visited the Jewish Holocaust Museum. As the topic of the Holocaust was being studied at this time, it was very beneficial for the students to have an organised tour of the Holocaust Museum.

The students were met by a staff member who gave them a briefing on what the Holocaust Museum was all about. A tour through the museum then followed. The many graphic photos and newspaper articles from the day was an eye opener for the students. It showed with graphic detail the suffering and pain the Jewish people endured.

The highlight of the tour was a talk from an Auschwitz death camp survivor. He was only eight years of age when he entered the camp in 1943. His immediate family was executed and he was fit enough to work, his only saviour. He told of the struggle to eat, sleep and to just exist. When asked if he still held a grudge towards Germans, he replied that it was a previous generation’s fault, not the current generation.

Indonesian Sister School

Ms Liz Formby

Languages Curriculum Manager, Sister School Coordinator, Cobden Technical School

Visit by students from the Cobden Technical School Indonesian Sister School.

On Friday August 2 the staff and students from our Indonesian Sister School will be arriving in Melbourne. The twenty two students and two staff members are so excited to be joining our school community for two weeks. Whilst in Cobden, they will be spending time in class with their buddies, helping Cobden Primary School with an Indonesian language and culture day and spending time with their host families.

I would like to thank the families of the following Cobden Technical School students for their generosity in hosting the students coming to visit:

Jasper Coverdale, Libby Pringuer, Jacoba Henderson, Indee Smith. Thomas La Franchi, Gemma Kelly, Elizabeth Wood, Morgan Nelson, Jessica and Tyler Parsons, Holly Roberts, Noah and Jayden Squire and Willoughby and Archi Perriss. There have also been people from the Cobden community who have offered to host. Thanks also to Nat and Gerald Pekin and Anita and Owen Chivell for hosting.

There are some exciting times to come when the students are here so be sure to keep an eye on the CTS Facebook page for updates.

Sport

Belinda Savage – Sports Coordinator

Upcoming Events – Save the dates

Date to be confirmed	Senior Boys Country Cup Grand Final
Thursday August 1	GWR Interschool Senior Boys Basketball (Ballarat)
Thursday August 22	Noorat Gun Club Clay Target Shoot (at Noorat) (Practice Shoot Dates – August 7 & August 21)
Wednesday September 4	HSSSD Interschool Junior Basketball (at Terang/Camperdown)
Friday September 6	Victorian Schools Super Series Lawn Bowls Championships
Monday September 16	GWR Interschool Athletics (at Ballarat)

Greater Western Region Senior Boys Basketball – Thursday August 1, 2019

Wishing our Senior Boys Interschool Basketball team of Luke Ball, Luke Hickey, Ryleigh McVilly, Dylan Jeffery, Lachlan Stephenson and Lachlan Gass, all the best at the Greater Western Region Interschool Senior Basketball Championships to be played at Ballarat on Thursday 1st August.

South West Zone Victorian Clay Target Shoot at Noorat on 22nd August

Please note that this event will be held at Noorat on 22nd August, 2019. The South West Zone event is for competent to advanced students/shooters rather than novices.

Prior to this event we again will be attending Noorat Gun Club on (sessions 5 and 6), 7th August and 21st August to attend and have practice shoots with the Club. If you are interested in learning to do clay target shooting and also for those wishing to participate in the South West Zone Competition at Noorat in August, please make sure you have given your name and details to Belinda Savage prior to the above practice dates. However, we are more than happy for any students interested in attending the practise shoot days to come and try.

School Sport Victoria State Cross Country – Thursday July 18, 2019

Firstly, a big congratulations to Abbey Robbins on qualifying to compete at the School Sport Victoria, State Cross Country in Bundoora Park, Bundoora. Abbey competed in the U14 Girls 3km event and finished in an amazing time of 13:00.773 in 51st Place (midfield). Well done Abbey a great achievement and experience.

HEADSPACE CYBERBULLYING PROTECTIVE FACTORS

Cyberbullying tips for parents and guardians:

headspace has provided six key steps for parents and guardians to follow when talking to a young person about cyberbullying:

- × Listen calmly to what your young person wants to say and make sure you get the full story.
- × Reassure your young person that they are not to blame and ask open and empathetic questions to find out more details.
- × Ask your young person what they want to do and what they want you to do.
- × Discuss some sensible strategies to handle the bullying with your young person.
- × Contact the school and stay in touch with them.
- × Check in regularly with your young person.

For further information on cyberbullying please visit the eSafety Commissioners website at <https://www.esafety.gov.au/>

Tips for a young person experiencing cyberbullying:

It is important you talk to someone you trust straight away – like a parent, sibling, uncle/aunt, teacher or friend. You can also seek support at headspace through face-to-face, online or telephone services.

- × Do not retaliate or respond to the online bully.
- × Block the bully and change your privacy settings.
- × Report the abuse to the service and get others to as well.
- × It's also important to do something you enjoy to keep a healthy mind set. Catch up with friends, listen to music, play sport or chat online to the people you can trust.
- × Collect evidence – keep mobile phone messages, take screen shots and print emails or social networking conversations.
- × You can always find some helpful resources at esafety.gov.au or headspace.org.au.

Cyberbullying tips for friends:

If you have a friend or know someone at school who is being cyberbullied:

- × Don't join in – don't comment on posts, images or videos.
- × Don't forward or share posts, images or videos that will hurt others.
- × Leave negative groups and conversations.
- × Report bullying to someone that can help – this can be an anonymous report to a parent or teacher.
- × Support your friend online and offline. You could say:
× 'I heard about the posts, you don't deserve it, I'm here for you.'

If you have a friend or know someone at school whose mental health or wellbeing is impacted as a result:

- × Suggest they talk to their family or confide in an adult they trust.
- × Try inviting your friend to undertake some of the 7 tips for a healthy headspace with you – doing stuff that's important to them, learning new ways to handle tough times, build close and connected relations, eat well, stay active, sleep enough and cut back on alcohol and other drugs.
- × Access help online through eheadspace, <https://headspace.org.au/eheadspace/> or face-to-face at headspace Warrnambool or Portland headspace centre.
