Term 2 Week 11
29 June, 2018

We are committed to find, and celebrate, successful outcomes for students, whether that is in the pursuit of high level academic achievement, or the development of specific vocational skills.

The values we strive to develop and promote through our interactions with students, parents and other members of our community are Honesty, Excellence, Accountability, Respect and Trust - HEART.

Principal

Rohan Keert

As the term draws to a close I would like to reflect on a few major events and thank all those involved.

The Cobden Technical School Debutante Ball was held on a cold wet and windy night on Friday 15 June. Inside the Cobden Civic Hall was a different story altogether. It was a warm, and joyous celebration of the young men and women of our school. It was an absolutely fantastic night. We were all so proud of our amazing students. I would like to personally thank the CTS staff for their behind the scenes support of this important event, in particular, Therese Billings who did an amazing job organizing the event. Well done everyone!

Staffing

At the end of this term, Stacey Henderson will commence her family leave in the lead up to the birth of her third child. On behalf of the CTS community, I would like to thank Stacey for her commitment as classroom teacher and VCE Coordinator. We wish her and Scott all the best for number three and look forward to her return in 2020. Stacey's Health & PE classes will be covered by the highly regarded and very experienced duo of Neal Simmonds and Ryan McCluggage. We will announce very soon who will be VCE coordinator.

Gracie McGuire will leave our school at the end of Term 2. Gracie has been appointed to a new role as Year 5/6 teacher at St Mary's Primary School Colac. I would like to thank Gracie for her tremendous efforts to establish our literacy intervention program. We have valued her input to school improvement as Leader of Student Achievement and a member of the CTS leadership Team. Jen McLennan will take over Gracie's Year 9 English class and leadership of the literacy intervention program.

Leonie Wallace will be on long service leave for the last eight weeks of Term 3. We welcome Ian Clarke who will teach Leonie's English classes until she returns in Term 4.

I would like to express a sincere thank you to Cass Crevola who has been Acting Assistant Principal for the last six weeks of Term 2 while Michael Smart has been on long service leave. In her short stint in the job, Cass was able to hit the ground running, picking up various projects and completing them while initiating several new processes that support the continued improvement of our school. Cass has been able to form meaningful relationships with students, staff and parents. Thank you Cass!

We had a wonderful end of term assembly this morning led by our School Captains and student leaders. CTS staff presented a range of awards to individual students for displaying the CTS HEART values (Honesty, Excellence, Accountability, Respect and Trust).

How a safe and relaxing winter holiday break.

Assistant Principal

Cassandra Crevola

Wellbeing Activity Day – Thursday 14th June

We were happy to be able to seek the input of the Student Representative Council in determining how best to support student wellbeing on the Activity Day. The student leaders were particularly keen to implement activities for Years 7-10 students, which we held on Thursday, 14th June.

The students were very enthusiastic about participating in activities at school, a BBQ lunch shared with staff and Ten Pin Bowling in Colac and Warrnambool. In the coming term, we'll be looking at providing activities for our senior students.

Debutante Ball – Friday 15th June

The Debutante Ball was held on a cold and wet Friday evening, but the weather did little to dampen the spirits of the excited students, staff, families and friends who shared this annual event. The students showed off their well-rehearsed dance moves to upbeat music tracks that left a smile on everyone's face. We were thoroughly proud of the fine young adults presented on the evening and grateful to share such a special moment with the CTS community. Thank you to all involved in the preparations – we know that such a big event only occurs with the thought and care of many supporters.

SRC Assembly and Activities

The SRC did a spectacular job of arranging this morning's end-of-semester assembly, with many students receiving a HEART Values award for Semester 1. We are also looking forward to the Trivia Night on the Friday of Week 1 and the upcoming bake sale – stay tuned for further details!

Term Break

With term concluding today at 2:25pm, we wish all of our students, families and the CTS community a safe and restful break. We look forward to welcoming in Term 3 on Monday 16th July.

On a personal note, my short stay as Acting Assistant Principal at CTS concludes today. It has been an absolute pleasure to work with the students, staff, families and community over the past six weeks. I'd like to express my thanks for the support and for the warm welcome that I have received during my time here.

Debutante Ball

The 2018 Debutante Ball was a marvellous experience for all those participating, viewing or who were involved in the smooth running of the night. All in all, the deb's looked fantastic and performed the dances well, thanks to the training that Trevor and Ashlee provided.

I would like to thank the parents and staff who made my job so much easier than it might have been for your support, either on the night or in the build up to the ball. The stage looked marvellous, the supper provided was delicious and plentiful, and the kitchen volunteers did a great job all through the night. All that you do is appreciated and it makes for a great night overall, so once again, THANK YOU.

Lost Clothing:

Please ensure all clothing is named. Missing clothing can be returned if names are clearly printed somewhere on the item.

BlazeAid

Term 2 has seen our school contribute in various ways to the BlazeAid organisation. The Year 12 VCAL students have been regularly assisting with both fencing and working at the campsite. They have also been helping out at the relief centre set up at the Cobden Uniting Church. Well done students and Mrs Hickey.

We were rostered on to provide an evening meal for the volunteers a few times. Once at the school's Home Economics Room and again at the Kart Club where a good old fashioned roast was the flavour of the day. Thank you to all staff and students who contributed on these evenings.

To our VET students who have been supplying biscuits etc. from their Thursday VET days. Thank you.

To the BlazeAid workers, our school thanks you for your time and dedication in getting our community back on track after the devastating St. Patrick's Day fires.

Maths

Coke Investigation

The past few weeks we have been studying measurement in math. The year 9 classes have been focusing on surface area of a 3D shape. This week we did a project where we had to find the surface area of the two boxes that hold 12 cans of soft drink, our two options were a three by four or a two by six. We were put into groups of four or five and had to measure an empty can of soft drink, then used the formulas that we have learnt to work out which box uses less cardboard. We made nets to prove our findings. Once finished our findings were that the three by four box used less cardboard. Each group presented their results to their classmates. It was fun and enjoyable!

Popcorn Investigation

Today year 9 math students investigated the volume of a cylinder using popcorn. The class really enjoyed it because they were doing hands on work that involved math. The students learnt a lot more by doing an investigation than just writing notes and feel that this made it stick in their minds better. They learnt the formula for the volume of a cylinder and that the radius has a bigger effect on how much a cylinder can hold. The class was really engaged and also had to work on their group work skills, helping each other and working independently. It was challenging and positive that the teacher didn't just tell us the work but we were really happy when we were able to figure things out ourselves. Overall it was messy and fun and we all loved the popcorn!

COBDEN TECHNICAL SCHOOL 2018 VCE EXAM TIMETABLE

HSSSD Basketball - Intermediate Boys Friday June 15th at Terang

It was not much warmer inside than outside at the Terang Sports Stadium on Friday the 15th of June when our Intermediate boy's basketball team took on some of the local school rivals. Our first game was at 9.40 where we played the Terang College team 1 boys, which was a close game. A tough game to open with. Next, we played the second Terang College intermediates and we won a close game. After nearly an hour's break, we took on the Mercy Regional College team, which gave us a good reminder we have to be on our game all the time, every second. They gave us the chance to be graceful losers...Virtually straightaway we came up against a very close game with Timboon P12 intermediates. We lost, but only just. To finish the day we were pitted against Camperdown College and we were doing just great until a bit after half time when things turned tight. In the end, they snuck away with a victory in a very close and hard fought game. A 'well done' to our intermediate boys' team for giving a red-hot go. It is amazing the amount of food they put away until you see the energy they put into a game. Also a big thank you to Belinda Savage who umpired and scored nearly all day and lastly, to Mr. Bouman who very kindly came to coach the team.

Results from Basketball are as follows.

Intermediate Boys

- 1st Mercy
- 2nd Camp
- 3rd Terang 'A'
- 4th Timboon
- 5th Cobden
- 6th Terang 'B'

School Sport Victoria State Lawn Bowls Champions

Congratulations again to our super coach Mr. Nixon, and Jack Hookway, Noah Mungean and Joe Hutt, on their recent nomination and winning the Corangamite Sportsman's Club Junior Team Award for May 2018.

South West Zone School Students Clay Target Shooting Championships – at Noorat

If you are interested in attending and competing at the South West Zone school student's clay target, shooting championships at Noorat on Thursday 23rd August 2018, please speak to Belinda Savage.

The Championship is provided to all participants at a fee of \$10.00. Low recoil ammunition will be used and supplied. Please note that this event is open to all Junior Shooters who currently HOLD a Victorian Junior Shooters Permit.

The Noorat Gun Club holds shooting practice on a Wednesday evening starting at 4.00 pm and finishes at approximately 5.30 pm. The practice evenings are open to all students wishing to learn clay target shooting and safe gun handling. The cost is \$15.00 which covers 25 targets to shoot at. Guns are available at the Gun Club for students to use and they do not need a shooters licence. The evenings are run by Gary Hayden, the local

Firearms Safety Instructor and Victorian Coaching Co-ordinator as well as a Level 2 Coach with the ACTA, run the evenings. For further information please phone Gary on 0419 893 007.

If you would like to obtain your Victorian Junior Shooters Permit, please speak to Belinda Savage.

Clontarf Football Academy vs. Cobden Tech Year 8 and 9 Boys

The Warrnambool College Clontarf Academy attended at our school on Wednesday June 20th. The Clontarf Academy shared stories around the Indigenous Culture and Education to broaden our students views on diversity in our community. The boys then played a football game, the first half was played with Cobden v Clontarf, but the second half was played in mixed teams. The Warrnambool College Clontarf Academy made a presentation to our school..

A big thank you to Coach and Umpire Ryan McCluggage, goal umpires Ashley Clarke and Bryden Newell and to the team:-

Noah Ackerley	Ethan Bell	Kayleb Bignell	Stuart De Bie
Jake Dooley	Bailey Foster	Tanner Fratantaro	Ben Hookway
Joe Hutt	Rhys McLean	Saf McVilly	Brodie Neale
Quill Pope	Thomas Roberts	Connor Stares	Xavier Vickers
Blake Walsh	Dan Wright		

HAMPDEN CUP JUNIOR FOOTBALL GRAND FINAL (Combined HSSSD Students) at Colac

Congratulations to:-

Tanner Fratantaro	Joe Hutt	Rhys McLean
Stuart De Bie	Xavier Vickers	Noah Ackerley

On your selection into the combined HSSSD team to play in the Hampden Junior Boys Cup Grand final at Colac. The boys played two games, the first game against Trinity College winning by three goals, and then facing Emmanuel College straight up and going down by three goals.
